2019 DUNGA DERBY SUNSHINE COAST

17TH TO 20TH OCTOBER 2019

THE DUNGA DERBY IS THE MAJOR FUNDRAISING EVENT TO SUPPORT THE RALLY FOR A CAUSE CHARITY

RALLY FOR A CAUSE

DUNGA DERBY

Rally for a Cause is a community charity actively supporting families and individuals affected by life-limiting medical conditions and/or whose lives have been disrupted by detrimental circumstances beyond their control.

Applications and/or nominations for potential beneficiaries are made to the charity where they are assessed by a recipient selection committee. Once a nomination has been approved, Rally for a Cause then works with the families or individual to contribute most effectively where they can to make life easier. Since starting in 2015, Rally for a Cause has assisted over 70 individuals or families in the Fraser Coast.

Now it's time for the Sunshine Coast to get behind this great cause! Funds raised by the Sunshine Coast Dunga Derby will go back to support local Sunshine Coast families who are nominated and approved for support under the charity guidelines and eligibility criteria.

EXAMPLES OF HOW WE HAVE HELPED

MURPHY FAMILY

Jack, a 38 year old father of 3 was diagnosed with Parkinson's disease when he was just 33. His symptoms were deteriorating and RFAC were able to contribute to the costs for him to receive Deep Brain Stimulation therapy recommended by his medical specialist.

WINDOW FAMILY

Born 10 week prematurely, little Mason now faces many health challenges that require on-going therapy and hospital visits to Brisbane. Rally for a Cause has been able to support the Window family in the short term with out-of-pocket medical treatment and travel expenses.

"We can't change the circumstances but in line with our charity guidelines we can reach out with community spirit and an authentic desire to ease the burden of the families and individuals in our region who are experiencing difficult circumstances".

Mick Irwin, President

The Dunga Derby is the major fundraising event to support the Rally for a Cause Charity.

The four day car rally adventure travels through country Queensland with a field of 55 Dunga cars and support vehicles.

To qualify as a "Dunga" the vehicle must be over ten years old and cost under \$2,000.

To make the event a challenge and lots of fun, there are plenty of dirt and gravel tracks along the way to test the cars. The rally travels through and stops in small towns along the way, also injecting much needed money into these communities.

Teams consist of 3 - 4 people who are happy to share the driving. The registration fee covers all of the main meals, camping fees and entertainment. At night, swags and tents come out for a night of fun and stories of the day around the campfire. Teams are encouraged to theme their cars and proudly display the stickers of their supporting sponsors.

Each of our teams has a responsibility to raise a minimum \$2,000 (\$2,500 for a team of 4) which goes directly to the Charity efforts. Since the first Fraser Coast event in 2015, the Dunga Derby has raised over \$750,000 which has gone back into the Fraser Coast community through Rally for a Cause.

The inaugural 2019 Sunshine Coast Dunga Derby will be held from the 17th to 20th October 2019. The Coast to Country route is a closely guarded secret!

Dunga entrants experience good natured rivalry and camaraderie and are treated to the finest old fashioned country hospitality. The Dunga Derby is not a race or timed event - it's about raising funds to support the Sunshine Coast and other communities we visit along the way.
